Aspiring Python Full Stack Developer | Django | REST API | SQL | HTML, CSS, JavaScript
Bengaluru, Karnataka, India

Summary

Hi, I'm Sathishkumar, a passionate Python Full Stack Developer skilled in python, Django, SQL, HTML, CSS, and JavaScript.

I enjoy building web applications and REST APIS, especially using Django and SQL for efficient data management. I've developed projects like a billing system and API-based web applications. I'm eager to join a dynamic team where I can learn, grow, and contribute to real-world projects.
